INTERSHIPS

- **Web Development Intern** Feb 2026 – Present
- Designed and developed responsive websites for clients including Children Senior Academy, Shaurya Travels, and Urja Travels.
- Built mobile-responsive interfaces using HTML, CSS, JavaScript, and modern front-end development practices.
- Optimized website performance, accessibility, and cross-browser compatibility to improve user experience.
- Assisted in deployment, testing, and maintenance to ensure stable and functional websites.
- Applied UI/UX principles to create clean, user-friendly layouts and improve usability.
- Gained hands-on experience across the full web development lifecycle, from design to deployment.

PROJECTS

Coffee Web Application | HTML, CSS, JavaScript

- Developed a fully responsive coffee shop website featuring an interactive user interface, dynamic menu sections, and mobile-friendly design.
- Implemented CSS animations, transitions, and JavaScript-based interactive components to enhance user engagement and overall user experience.
- Optimized website performance, cross-browser compatibility, and form validation to ensure seamless functionality across devices and platforms.

Secure Fencing Maxx Website | HTML, CSS, JavaScript, PHP

- Developed a responsive corporate website for a fencing machinery manufacturer, implementing mobile-first design principles and modern UI/UX practices.
- Built dynamic product showcase pages, inquiry forms, and contact modules to enhance customer engagement and support lead generation.
- Optimized website performance, accessibility, cross-browser compatibility, and participated in deployment, testing, and maintenance to ensure reliable functionality.

Urja Travels – Travel & Tour Booking Website | HTML, CSS, JavaScript , PHP

- Developed a responsive travel booking website for pilgrimage and adventure tour packages across Uttarakhand.
- Built destination pages and package listings for locations including Kedarnath, Char Dham, Rishikesh, Haridwar, Auli, and Nainital.
- Implemented inquiry, booking, and contact forms to support lead generation and customer communication.
- Optimized responsiveness, performance, and accessibility using HTML, CSS, and JavaScript.
